1.CAMPAIGN 2016:

Trump's energy entourage

Donald Trump has been fleshing out his energy team, tapping a mix of industry executives, political operatives, agency experts and some polarizing personalities to guide his campaign and transition operation. E&E News looks at some of the energy experts playing a part in the Trump campaign and in the transition, and who could wind up having top jobs in a Trump administration, if the Republican presidential nominee wins the White House.
